Re: EPA Review of the *FY 2001 Institutional Control Inspection Report for the Central Facilities Area, Operable Unit 4-13*

Dear Ms. Hain,

EPA has reviewed the Institutional Control Inspection Report called for in the OU 4-13 Record of Decision in accordance with the *Region 10 Final Policy on the Use of Institutional Controls at Federal Facilities*. The report provides an adequate review of institutional controls currently in place at the Central Facilities Area. EPA does not have any questions or comments concerning this report.

Please give me a call at (206) 553-0040 if you would like to contact me concerning this matter.

Sincerely,
